CPS is Looking for You to Join our Team

At Cincinnati Public Schools, our focus is educating children. To do that job well requires more than great teachers. We love what we do — and we do it in a district that values children and is a great place to work.

With 36,300 students in 65 schoolhouses spread around a 91-square-mile district, we have job opportunities galore.

Join us at Cincinnati Public Schools — and love what you do!

Apply Online

Cincinnati Public Schools uses Frontline, an online application system that allows you to apply for current and future job openings.
