

Cincinnati Families – Findlay Market Welcomes You!

Right now, more than ever, Findlay Market wants to be a resource for you and your loved ones. Whether you are a regular market shopper or haven't been in a while, we want you to know that we are here for you and have many resources to make life a little easier during these crazy times.

SNAP Benefits

Many of our full-time market merchants who sell grocery items accept EBT cards and more than 20 part-time outdoor weekend vendors are SNAP eligible. Shoppers are also able to use SNAP benefits on the Findlay Market Shopping App by choosing "EBT" during the checkout process.

Produce Perks

Produce Perks is providing an unlimited \$1-for-\$1 match through June 30 so that customers have more access to fresh fruits and vegetables. The Findlay Market Farmers Market (open Saturday 8am-2pm and Sunday 10am-2pm) is a participating location. Updates to this program can be found @ [produceperks.org/covid-19-resources](https://www.produceperks.org/covid-19-resources).

Special Shopping Hours

The market is open an hour early on Wednesdays and Fridays (from 8am-9am) to accommodate senior citizens and other vulnerable populations. We also have a special shopping hour for our Farmers Market each Sunday from 9am-10am.

Findlay Market Shopping App

The Findlay Market Shopping App is a convenient way for people to get food from Findlay Market + items found at traditional grocery stores (ex: food not found at the market or everyday essentials like laundry detergent). We have free delivery within 6 miles of the market and free pick up each day, Tuesday-Friday. This is also a great tool for those that are high risk and may not want to shop in person.

Carry Out & Delivery Options

Many market merchants are offering call ahead, curbside pickup and delivery. Please visit [findlaymarket.org](https://www.findlaymarket.org) for the most up-to-date list of options and how to order from each business.

Hours
